Gloria Koch Leonidas IES Seattle Illumination Awards

May 15th 2025

IES Seattle Section
PUGET SOUND

1959-2012

Gloria Koch Leonidas, was tragically taken from us too soon.

It is because of her spirit, passion, and contributions to our local lighting community that we have dedicated our Illumination Awards ceremony in her honor.

Thank you to all our sponsors!

The IES Seattle Section's annual Gloria Koch Leonidas
Illuminations Awards is the Pacific Northwest's showcase event. We gather to recognize the outstanding contributions of the m any talented designers in our IES community and their contribution to the global lighting industry. The event is also an evening to gather as a community of lighting
professionals and celebrate with all those that contribute to the wonderful projects being recognized.

As a 501(c)(3) nonprofit organization, IES events have always been funded with donations and we would not be able to do it without financial support from our local community. Our events not only help raise funds for our scholarship funds, but it's also an opportunity to come together as a lighting community. Thank you so much for your support of the IES Seattle Section. It would not be possible without you
